Executive Summary 22April2025

Request for Financial Support of Education & Business Programs and Services to our Community

Overview:

The Coastal Alabama Business Chamber plays a vital role as the hub of our collective business community. Continuing to provide quality programs and services for our members and citizens, and festivals to attract visitors during the shoulder season is critical. I am taking proactive steps both internally and externally to weather what we anticipate being a fairly short period of uncertainty for our local businesses over the first few quarters of 2025. These reductions in expenses and additional revenue streams are geared to sustain this organization for the future.

Financial:

As indicated on the Budget vs Q1 2025, we are pacing positively through March. The P&L comparison to 2024 is positive as well. On the Balance Sheet, the moderately low cash on-hand is my concern and is an indicator of the apprehension our small business members currently have with the tariff policy and the unknown effect it will have on them in the short term. Most indicators that I have seen expect things to balance out in Q3 and Q4 2025

Sole Source Justification

The good/service requested is restricted to one supplier for the reasons stated below:

1. Why is the acquisition restricted to this good/service/supplier?
Flock Safety is currently being utilized by the Department with much success. To implement a separate system that does not integrate with this system would require an excessive amount of set up (including costs) on the front end, without guarantee of adequate service.
2. Provide the background of events leading to this acquisition.
The Orange Beach Police Department has been utilizing Flock cameras for approximately five years. We have been looking to expand our coverage area during that time, but have encountered costly issues with specific equipment needed to place them on the State right of way. When awarded the ADECA grant, Flock provided us with a quote of 12 cameras with free installation upon contractual obligation by the end of June 2025.
3. Describe the uniqueness of this acquisition. (Why was the good/service/supplier chosen?)
See attached Sole Source from Flock Safety. This also integrates with our current system and would require no additional up front set up costs.
4. What are the consequences of not purchasing the goods/services or contracting with the proposed supplier?
Excessive up front setup costs that would prevent the acquisition of the large number of cameras Flock is able to provide by also waiving installation.
5. What market research was conducted to substantiate no competition, including evaluation of other items considered? (Provide a narrative of your efforts to identify other similar or appropriate goods/services, including a summary of how the department concluded that such alternatives are either inappropriate or unavailable. The names and addresses of suppliers contacted and the reasons for not considering them must be included or an explanation of why the survey or effort to identify other goods/services was not performed.)
No survey was performed. Our intelligence unit currently has access to two other ALPR services, Open ALPR and Vigilant through other agencies granting us access. Sgt. Johnson is familiar with their companies and operations. Whereas Flock is a "one stop shop" and is all inclusive in their equipment and service, other companies require the additional purchase of mounting devices, the need to run power and internet to all of the devices and do not include maintenance and service.

Price Analysis

1. How was the price offered determined to be fair and reasonable? (Explain what the basis was for comparison and include cost analyses as applicable.)
Flock's comprehensive service is all encompassing, to include equipment, service and replacement for damage or theft. At this time other companies do not offer the same cost/benefit analysis as Flock.
2. Describe any cost savings realized or costs avoided by acquiring the goods/services from this supplier.
By utilizing Flock Safety, we will be saving \$19,500 on installation costs and will have no additional costs for any services provided while under contract with them.

Customer must give written notice of any claim under this warranty to OpenGov within 90 days of the completion of the Professional Services pursuant to the applicable SOW to receive such warranty remedies.
- 8.1.3. Software Services Warranty. OpenGov further represents and warrants that for the Term, the Software Services will perform in all material respects in accordance with the then-current Product Documentation. The foregoing warranty does not apply to (a) any Software Services that have been used in a manner other than as set forth in this Agreement, or (b) any pre-release features, functionality, or beta software services that Customer elects to use in the beta phase of development. For any breach of the Software Services warranty, OpenGov will repair or replace any nonconforming Software Services so that the affected portion of the Software Services operates as warranted. If OpenGov is unable to do so, Customer may terminate the Agreement and will be entitled to a refund of the pre-paid, unused portion of the fees from the date of the discovery of the defect. Customer must give written notice of any claim under this warranty to OpenGov within 90 days of Customer discovering the defect to receive such warranty remedies.
- 8.2. By Customer. Customer represents and warrants that (a) it has all right and authority necessary to enter into and perform this Agreement and (b) OpenGov's use of Customer

Data pursuant to this Agreement will not infringe, violate or misappropriate Intellectual Property Rights of any third party.

- 8.3. Disclaimer. OPENGOV DOES NOT WARRANT THAT THE SOFTWARE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SOFTWARE SERVICES. EXCEPT AS SET FORTH IN THIS SECTION 8, THE SOFTWARE SERVICES ARE PROVIDED "AS IS" AND OPENGOV DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

9. Limitation of Liability

- 9.1. By Type. NEITHER PARTY, NOR ITS SUPPLIERS, OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS OR EMPLOYEES, SHALL BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, OR OTHER THEORY: (A) FOR ERROR OR INTERRUPTION OF USE OR FOR LOSS OR INACCURACY OF DATA OR COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES OR LOSS OF BUSINESS; (B) FOR ANY INDIRECT, EXEMPLARY, PUNITIVE, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES; OR (C) FOR ANY MATTER BEYOND A PARTY'S REASONABLE CONTROL, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE.
- 9.2. By Amount. IN NO EVENT SHALL EITHER PARTY'S AGGREGATE, CUMULATIVE LIABILITY FOR ANY CLAIMS ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT EXCEED THE FEES PAID OR PAYABLE BY CUSTOMER TO OPENGOV FOR THE SOFTWARE SERVICES UNDER THIS AGREEMENT IN THE 12 MONTHS PRIOR TO THE ACT THAT GAVE RISE TO THE LIABILITY.
- 9.3. Limitation of Liability Exclusions. The limitations of liability set forth in Sections 9.1 and 9.2 above do not apply to, and each party accepts liability to the other for: (a) claims arising out of fraud or willful misconduct by either party; (b) either party's infringement of the other party's Intellectual Property Rights; (c) breach of obligations under Section 3.1; and (d) payment obligations under this Agreement.
- 9.4. No Limitation of Liability by Law. Because some jurisdictions do not allow liability or damages to be limited to the extent set forth above, some of the above limitations may not apply.

10. Miscellaneous

- 10.1. Logo Use. OpenGov shall have the right to use and display Customer's logos and trade names for marketing and promotional purposes in OpenGov's website and marketing materials, subject to Customer's trademark usage guidelines provided to OpenGov.
- 10.2. Notice. Ordinary day-to-day operational communications may be conducted by email, live chat or telephone. For notices required by the Agreement the parties must communicate more formally in a writing sent via USPS certified mail and via email. OpenGov's addresses for notice are: legal@opengov.com with a mailed copy to OpenGov,

Inc., 660 3rd Street, Suite 100, San Francisco, CA 94107.

- 10.3. Anti-corruption. Neither OpenGov nor any of its employees or agents has offered or provided any illegal or improper payment, gift, or transfer of value in connection with this Agreement. The parties will promptly notify each other if they become aware of any violation of any applicable anti-corruption laws in connection with this Agreement.
- 10.4. Injunctive Relief. The parties acknowledge that any breach of the confidentiality provisions or the unauthorized use of a party's intellectual property may result in serious and irreparable injury to the aggrieved party for which damages may not adequately compensate the aggrieved party. The parties agree, therefore, that, in addition to any other remedy that the aggrieved party may have, it shall be entitled to seek equitable injunctive relief without being required to post a bond or other surety or to prove either actual damages or that damages would be an inadequate remedy.
- 10.5. Force Majeure. Neither party will be liable for any delay or failure to perform its obligations under this Agreement, due to any events beyond its reasonable control, including but not limited to acts of god, acts of governmental authority, war, riot, labor disputes, failures of performance by any third-party services, utilities, or equipment failures, or any other events beyond the party's reasonable control. Notwithstanding the foregoing, Customer shall remain obligated to perform its obligations under Section 7.1.1.
- 10.6. Severability; Waiver. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect and enforceable. Any express waiver or failure to exercise promptly any right under this Agreement will not create a continuing waiver or any expectation of non-enforcement.
- 10.7. Survival. The following sections of this Agreement shall survive termination or expiration: Section 5 (Confidentiality), Section 7 (Payment of Fees), Section 4.6 (Deletion of Customer Data), Section 8.3 (Warranty Disclaimer), Section 9 (Limitation of Liability), and Section 10 (Miscellaneous).
- 10.8. Assignment. There are no third-party beneficiaries to this Agreement. Neither party may assign, or otherwise transfer this Agreement without the other party's written consent, which consent may not be unreasonably withheld, conditioned, or delayed. Notwithstanding the foregoing, either party may assign, without such consent but upon written notice, its rights and obligations under this Agreement to its corporate affiliate or to any entity that acquires all or substantially all of its capital stock or its assets related to this Agreement, through purchase, merger, consolidation, or otherwise. Any other attempted assignment shall be void. This Agreement will benefit and bind permitted assigns and successors.
- 10.9. Independent Contractors. This Agreement does not create an agency, partnership, joint venture, or employment relationship, and neither party has any authority to bind the other.
- 10.10. Governing Law and Jurisdiction. This Agreement will be governed by the laws of

Customer's jurisdiction, without regard to conflict of laws principles. The parties submit to personal jurisdiction and venue in the courts of Customer's jurisdiction.

- 10.11. Complete Agreement. OpenGov has made no other promises or representations to Customer other than those contained in this Agreement. Any additional or different terms in a purchase order or click-through agreement are expressly rejected by the parties and are void. Any modification to this Agreement must be in writing and signed by an authorized representative of each party. No third parties are authorized to modify this Agreement. If there is a conflict between this Agreement and any other attached or incorporated document, the terms of this Agreement will control unless expressly stated otherwise.

The responsibilities listed in this section are in addition to the responsibilities specified in the Agreement and are to be provided at no charge to OpenGov. OpenGov's performance is predicated upon the following responsibilities being managed and fulfilled by the customer. Delays in performance of these responsibilities may result in a change order and/or delay of the completion of the project.

9.2. Provide the required data to OpenGov within five (5) days of the requests being made from the OpenGov Project Manager. The Customer will be responsible for any potential charges from third parties to access and provide the data.
